Remarks

Welcome to this impeccably maintained home at 14821 Oldham Dr, where every detail reflects thoughtful care and stylish updates. Step inside to find a beautifully refreshed interior, complemented by many major systems that have been replaced for your peace of mind. A brand-new air handler and condenser installed in 2020 provide efficient year-round comfort, while the water heater, replaced in 2018, underscores the homes commitment to reliable infrastructure. The roof, with a skylight installed in 2016, floods the space with natural light and boosts energy efficiency. The heart of the home shines with a full kitchen remodel completed in 2020, featuring modern finishes and an open flow perfect for both entertaining and daily living. Replace your worries with elegancenew door knobs added in 2025 introduce fresh hardware and modern touches throughout. Outdoors you'll find an expansive lifestyle experience: fencing installed in 2023-24 defines the private, usable yard; outdoor fans with remote controls were added in 2023 so your patio is comfortable year-round; the driveway has been thoughtfully widened and finished with pavers guiding the way to the entrance: the exterior was pressure-washed and repainted in June and July. and the fresh interior paint throughout
